

Amendments to the Drawings:

The attached sheets of drawings include changes to FIG. 3 to include two reference numerals 305 which label two sides 305 of parallelogram active region 312, a reference numeral 310 which labels an inactive background region 310, and a reference numeral 355 which labels line 355 at the top of parallelogram active region 312. Additionally, the attached sheets of drawings include changes to FIG. 4 to include reference numerals 400, 410, 420, 430, 440, and 450 each of which label each of the six blocks of the flow chart respectively. Please substitute the corrected FIG. 3 for the current version of FIG. 3. Please substitute the corrected FIG. 4 for the current version of FIG. 4.

These amendments to the drawings are reflected in the four attached pages which include two replacement sheets, and two marked up sheets showing changes in red.

**FIG._4**
